What’s in it for You?
Smart Investing in the Global Water and Sanitation Crisis

This luncheon event will bring together individuals in the private and public sectors to discuss the many benefits of investing in water and sanitation projects:

- how businesses can enter and excel in this area
- new financing models
- successful public/private/civil society partnerships
- future opportunities

Keynote Speaker

The Honourable Maria Mutagamba
Minister of Water and Environment,
Republic of Uganda (2006 - 2012)

Minister Mutagamba is a member of the UN Secretary General’s Advisory Board for Water and Sanitation, past-president of the African Ministers’ Council on Water, and coordinator of the Global Women Leaders Forum for Water and Sanitation. Most recently, she was recognized and accorded the title of “Mama Africa for WASH” during the 2012 Africa Water Week. Minister Mutagamba is the inaugural recipient of the UNU-INWEH Water Catalyst award sponsored by Degremont. As a final culmination of her career in water, the Honourable Minister will share her many years of experience in the WASH sector.
