Other (please specify):

ADMISSION

Admission to the MSc Programme is based on the following:

- Applicants must already be registered in a Master's degree programme at one of the Programme partner institutes or at any other associated university.
- Applicants must have already completed the basic course work of their programme.
- Applicants must have proved competence in relevant research methodologies, laboratory, and computer skills.
- Applicants must have demonstrated proficiency in English (oral and written).
- Applicants must have a complete application and research proposal.

REQUIRED DOCUMENTATION

The following documents are required in order to complete your application:

- Completed and signed application form.
- A letter of nomination from your supervisor/university where you are currently registered in a Master's programme that certifies completion of the basic course work.
- A certified copy of academic transcripts for each institution attended.
- An original detailed research proposal of 10 pages outlining the problem statement, literature review, research question, methodology, expected results, workplan, and timetable.
- Two (2) original supporting letters of reference, one (1) of which must be from your current supervisor.
- Evidence of English proficiency if English is not your first language (e.g., TOEFL score, English certificate, etc.).

JOINT MASTERS DEGREE PROGRAM INTEGRATED DRYLANDS MANAGEMENT 2016-2017

Special Notes:

- * Incomplete applications will not be considered.
- * Documents which are not in English must be accompanied by an official English translation.
- * Students of the MSc programme traveling to Tunisia to complete the course work from October 2-22, 2016, must hold a passport with a validity of at least 6 months in order to facilitate the visa application process.

APPLICATION DEADLINE

All materials and supporting documentation must be received by June 30, 2016. Applications may be sent by e-mail, fax, or post. Please send your fully completed and signed application form and supporting materials to:

MSc Programme Committee
United Nations University – Institute for Water, Environment and Health (UNU-INWEH)
175 Longwood Rd. South, Suite 204
Hamilton, Ontario, L8P 0A1 CANADA
